

At Lindfield Primary Academy our vision is to use the pupil premium funding to ensure that:-

- ***Our pupil premium children are motivated learners who receive quality first teaching***
- ***Any interventions are timely, specifically targeted and support the children to make accelerated progress***
- ***Non-academic interventions demonstrate clear benefits to the pupil premium children***
- ***Our interventions are run by highly trained teachers and teaching assistants***
- ***Our pupil premium children play an active part in our school community through events, trips and other community events***
- ***Our pupil premium parents are actively encouraged to engage in their child's education***

We will do this by:-

- ***Specific data collection and analysis for individuals and groups of children***
- ***Focussing on the quality of classroom teaching at all times***
- ***Identification of any barriers to learning and tracking progress closely***
- ***Ensuring poor attendance is tracked and tackled with children and families***
- ***Making sure interventions are put in place when needed***
- ***Keeping pupil premium children at the forefront***
- ***Making sure that money is ring-fenced for our pupil premium children***

We will know this by:-

- **Monitoring the quality of teaching, ensuring all children receive quality first teaching in the classroom and supporting our staff to deliver this-**
- **Rigorous monitoring progress and interventions through data, observations and pupil voice**
- **Monitoring from designated local board member**
