

Show and Tell

Every Friday we will be encouraging children to talk to the class about something that is important to them. The purpose of the activity is

- To encourage children to listen to each other and ask relevant questions
- To gain confidence as speakers
- So that we can encourage them to add detail and extend their vocabulary

Children are welcome to tell us about anything interesting they have been doing, show us something they have made, written or drawn at home, or show an interesting object they have found. Children do not have to share their news or show something every week but to make it a little easier we have created a timetable to let you know when your child will be able to have a turn. We ask that the children do not bring in toys or anything that is very precious. The children take turns in their school houses; Red Kestrels, Blue Eagles, Green Falcons and Yellow Hawks. Please see our timetable below.

Many Thanks,
The Year 1 Team
