

Christmas Around The World

Children in Key Stage 2 are to be congratulated on producing a wonderful production celebrating customs in four different countries. Year 3 told us about Jamaican traditions, while Year 4 donned sunglasses and took us to Australia. Year 5 learned Swedish and told us that it was traditional to watch Donald Duck on Christmas Day while Year 6 took us to America and reminded us of the forces men and women who work on Christmas Day. Their emotive performance and rendition of I'll be home for Christmas brought a tear to many of the congregations eyes. This was complemented by performances by the choir and the orchestra and a wonderful Key Stage 1 nativity.
