

Academy Improvement Plan for Curriculum Subjects

For

Lindfield Primary Academy

2020-21

Mid Year Review Feb 2021

ART

Key Area	Where are we now? Include identified gaps, data etc.	Where do we want to be? Measurable KPIs	What are we going to do to get there?	Who?	By when?	How will it be measured?	Impact and RAG
1.	Significant Art activities are added to the website. Up to date 'Gallery' on website -Subject INTENT -Promotion of Subject	To include 2020 Art work from across the school in our webpages. Website will be current and purposeful throughout the year.	Take photographs and scan work from children's sketch books and displays to send to web team to create a 'virtual portfolio' Photo galleries of special Art events. Including crosscurricular learning and, when possible, enrichment activities.	AB / All staff	Dec 2020	Art work published on website.	Drawing Week – Autumn 2020 successfully published on website and showcases work from all year groups across the school. Website clearly outlines states our curriculum intent. Increased promotion of Art within the Academy Opportunity to promote the value of the subject
	TEACHING AND LEARNING 1 – IMPLEMENTATION	All teachers continue to deliver one session of Art a week.	1.2. Continue use of Access Art progression	AB	Spring 2021	Sketch book scrutiny	Staff respond to sketchbook feedback, areas of development to be made clear.

Key Area	Where are we now? Include identified gaps, data etc.	Where do we want to be? Measurable KPIs	What are we going to do to get there?	Who?	By when?	How will it be measured?	Impact and RAG
	Use of whole school art plan and skills map across each year group. All staff are following this.	Book scrutiny of sketchbooks to ensure process and final outcome are recorded.	document in whole school plan. Sketchbook scrutiny				Sketch book look to gain evidence of areas of strength when teaching art.
	-Knowledge-rich Curriculum	Use of Access Art website to continue to plan and teach art as a 'journey'					
	TEACHING AND LEARNING 2 - IMPLEMENTATION -Including Reading Opportunities	Ensure that all teachers are planning and teaching art in line with whole school art plan.	1.3 Sketch book look and a planning scrutiny of learning journeys and medium term plans.	AB	ongoing	Evidence of current art planning on Learning Journeys and Medium term plans.	Staff understand how the art they are teaching links to existing knowledge and scaffolds more understanding, skill, appreciation to that prior knowledge.
		Encourage reading opportunities through art history sessions.	Evidence of art history reading opportunities in teacher plans				Teachers are aware that teaching children about

Key Area	Where are we now? Include identified gaps, data etc.	Where do we want to be? Measurable KPIs	What are we going to do to get there?	Who?	By when?	How will it be measured?	Impact and RAG
							art and artists can be a valuable reading opportunity for children.
	ASSESSMENT- IMPACT	Introduce 'Art Reflections' purple slips in sketch books for end of theme self assessment. Children to reflect on their learning and knowledge gained and this is stuck into the sketch book (similar to peer assessment in English books).	1.4. Collate evidence. Look that Target Tracker statements are being met. Introduce the use of self-assessment Art Reflections to staff.	AB	Ongoing	Range of artwork on display across school to demonstrate progression. Purple art reflection slips will begin to appear in the sketch books.	Work on walls and on displays show clear progression through the school. Greater awareness of how the children feel about their art, what they have done and what they have learned from the experience.
		Evidence of the progression of art skills through school.					Link to Recovery Curriculum and children's zone survey.
		Relevant and purposeful displays of art work across all year groups.					

Key Area	Where are we now? Include identified gaps, data etc.	Where do we want to be? Measurable KPIs	What are we going to do to get there?	Who?	By when?	How will it be measured?	Impact and RAG
	SUPPORT FOR STAFF -In-house CPD -Supporting Remote Learning	Staff to be provided with access to the materials, equipment and resources required to deliver quality first teaching. Teachers to be supported well in art events such as the Drawing Week in October	1.5. 'Drawing Week' to model quality art activities for all year groups Make resources available and appropriate for teaching needs.	AB / CM / All staff	ongoing	Feedback from teachers. Evidence in sketch books.	Teachers feel confident that have the support and the tools needed to plan and deliver high quality art lessons. Teachers to feel that they can get advice, support and ideas from the art coordinator to support them in their teaching of art.
	ENRICHMENT (MORE ABLE/SEND/PUPIL PREMIUM)	Workshops and off site visits to promote art amongst pupils - MA, PP, SEND (COVID SAFE)	1.6 Look for online enrichment opportunities.	AB/ CM	Ongoing	Evidence of enrichment. A number of pupils having access to a enrichment opportunities	Enhancement of the children's skills and knowledge by potentially building links with secondary schools.
	CELEBRATING DIVERSITY	The inclusion of art produced by black and ethnic minority artists. To consider art from	1.7. Review year group art starting points to consider black or	AB/ CM	ongoing	All children will be able to fully participate in art activities	Greater diversity embedded in the art curriculum.

Key Area	Where are we now? Include identified gaps, data etc.	Where do we want to be? Measurable KPIs	What are we going to do to get there?	Who?	By when?	How will it be measured?	Impact and RAG
		around the world not just European artists.	ethnic minority artists that could be included.			regardless of any learning needs.	Art for all children, art that can be accessed equally by all.
		To have addresses barriers to art including access to quality art resources and adaptive tools and materials for some children	Regular communication with teachers and SENCO about any adapted tools or materials we may need to source for children with specific learning needs.			Teachers to incorporate the work of ethnic and black artists in their planning and teaching of art.	
	OUTDOOR LEARNING	Using outside spaces, when appropriate, to pursue art activities. These activities may include; taking inspiration from nature eg. Early years:	1.8. Create purposeful drawing spaces for children to sit and rest their books.	AB / MF	By summer	Evidence of outside learning through drawings in sketch books. Photos of classes involved in art based outdoor	Great enjoyment of art, greater appreciation of the outdoor environment and increased sense of wonder at the world around them. Children will gain
		Leaf Man, Autumn Walk, Anthony Goldsworthy.	To embed learning opportunities in the whole school art plan			learning activities	knowledge and appreciation that art is a
